is submitted to

- the **initial type testing**, performed by TÜV SÜD Industrie Service GmbH, test report A 1630-00/07 and A 1630-01/11 and as well as
- a **factory production control**

The Notified Body TÜV SÜD Industrie Service GmbH has performed the initial inspection of the factory and the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation of factory production control described in Annex ZA of the standard

**EN 1856-1: 2009-06**

were applied.

This certificate was first issued on 2008-05-15 and - with respect to the conditions of the certification contract - remains valid as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly.
